

Executive Director – Sky Ranch Lutheran Camp, northern Colorado

Sky Ranch, an outdoor ministry of the ELCA, is a 117 acre facility located adjacent to Rocky Mountain National Park. Additional information is available at www.SkyRanchColorado.org.

Responsibilities: *Ministry Leadership and Growth*

- Responsible for strategic planning for ministry growth
- Partnership with Board of Directors to facilitate camp renewal and development
- Oversight and upgrade of camp facilities

Financial Oversight and Development

- Oversight of budget process and spending
- Oversight of accounting functions
- Commitment to financial stewardship, including capital development and fund raising

Congregational Outreach and Relationships

- Responsible for outreach to local and national congregations
- Marketing of camp activities and opportunities

Staff Development and Growth

- Participation in camp programming
- Hiring of staff and camp counselors
- Management of Full and Part-time employees

Qualifications: Individual should be a proven leader with a strong faith in Jesus Christ and a Lutheran oriented theological commitment.

- Management experience and communication skills are essential.
- Must be a proven strategic thinker.
- A passion for outdoor ministries is required, as well as a thorough understanding of Christian hospitality and servant leadership.
- Individual must be self motivated and directed.
- A strong record in capital development and fund raising, including successful capital campaigns, is essential.
- Individual should have business application experience and expertise.
- Client communication as well as extensive travel is required. Sky Ranch serves congregations in the Rocky Mountain Synod (Colorado, New Mexico, Utah, and Wyoming) as well as a national clientele.

- The Executive Director position is located in Ft. Collins and is not primarily an 'on-site' camp position.

Compensation: Salary and benefits based on experience and education.

Deadline: Deadline for accepting applications and resumes is April 30, 2010.
Interviews are expected to take place the following month.
