

Pray for our Companion Synods in Madagascar

Our Rocky Mountain Synod is in covenant relationships with four synods in northern Madagascar. The Antsiranana Synod is celebrating its twenty-fifth anniversary on November 13, and the Mahajanga Synod is celebrating its own twenty-fifth anniversary on November 20. Pastors Ron Roschke and Chad Kohlmeyer are in Madagascar these weeks representing our synod in these celebrations. They will also visit our newest companion, the Sophia Synod in Antsohihy. You can share in the celebration with a gift through your congregation to the RMS Seeds of Hope Fund, which supports special projects with Madagascar. And together we can celebrate our companionship with Madagascar in prayer:

Gracious God, you join us to the Body of Christ and give us partners and companions in our pilgrimage. Bless our sisters and brothers in Madagascar in their anniversary celebrations. Make us gifts to each other that we may wrap the world in your love. In Jesus' name we pray. Amen.
