An Advisory Board Guideline has been written and requires review and approval by the Synod Council once presented. They expect a full Mission Statement to take much longer to write. 12:43 – Treasurer’s Report by Julie Reusser

Julie presented the revised 2020-2021 budget, which Synod Council needs to forward for approval by Synod Assembly on May 2, 2020. She explained that 2 one-time gifts totaling \$120,000 reduced the budget’s net loss to (\$124,154). Discussion followed. Terry Cole moved, seconded by Reba, to forward the 2020-2021 budget to Synod Assembly for approval on May 2, 2020. **Motion Carried.**

Julie also presented the Preliminary Proposed Budget for 2021-2022 for our review. In this budget, the use of Mission Development Reserve Funds in the amount of \$125,968 will reduce that year’s net loss to (\$71,454).

Julie also led a discussion on the **Financial Policy**. She told us that funding shown in the policy is not fixed; it is merely an example and can change with each budget.

Jeff asked about synod funding for Westview Church, a Synod-Authorized Worshipping Community (SAWC) in Boulder, CO. When leaders from Westview came to the October 26, 2019, Synod Council meeting to update us on their congregation’s mission and start, we did not specifically address any funding. Bishop Jim added to the discussion that we always have some investment in our new mission starts, which helps the Synod stay informed and involved in their progress. Following discussion Jeff moved, seconded by Julie Brooks, to approve the Financial Policy.

Motion Carried.
