Briefly describe your sense of God's call into mission and service in the Synod through this office:

I believe that I have a fairly unique and valuable take on who we are as Lutherans, with a grounding in our history and tradition and a vision of a future renewed and invigorated church and I would like to see how my small piece of the puzzle fits into the churchwide expression of our faith.

Describe your skills and experiences that would be an asset to this office:

I have experience in many areas of ministry. I have attended national youth gatherings as both a youth participant and adult leader, I have been a lay leader as a church council president, I have been involved in camp ministry and campus ministry, this is one more area I can lend my jack-of-all-trades nature to represent my synod and all of the people, congregations and ministries I am passionate about.
