

# Immigration Accompaniment Committee

**Helping to make our Synod a welcoming place for immigrants and refugees, working for immigrant justice, and creating new conversations on God + community + justice.**

**Metro Denver Sanctuary Coalition** (<http://www.metrodenversanctuary.org>) provides physical and spiritual sanctuary to immigrants resisting deportation, and provide a public platform for immigrant leaders to proclaim their prophetic message regarding just and human immigration policy.

**Diverse Story Nation** (<https://diversestorynation.com>) is a collective platform telling the stories of immigrants and refugees, as well as citizen allies working with immigrants and refugees. We share stories to humanize these people.

**ELCA AMMPARO** (<http://www.elca.org/ammparo>)

**Guardian Angels** accompany migrant minors physically and spiritually at the immigration court.

**Welcoming Congregations** are safe havens for the minors and their families outside of court.
