## Tell me more!

The LIFE in Service network includes BSC, LVC, USC, and YAGM. Leaders from each organization, along with the ELCA, provide opportunities for young adults in the ELCA.

Together, there are more than 200 LIFE in Service volunteers serving annually within the United States and around the world, and more than 3,400 alumni of these programs who continue to live out the value of service in their lives.

## Ready to take the next step?

As a young adult, you can make a difference in the world and in the life of the church by engaging in a meaningful year of service alongside others. Help us engage your passion for faith, service, culture, and learning. Apply to a program from the LIFE in Service network today!
