Lutheran Advocacy Ministry–NM is a ministry of the Rocky Mountain Synod in partnership with ELCA World Hunger. We represent the church in advocating for justice in public policy, with a particular emphasis on alleviating poverty and hunger and supporting ELCA members and congregations, as well as our ecumenical and interfaith partners in the ministry of advocacy. Lutheran Advocacy Ministry-NM speaks on behalf of the official positions of the ELCA as applied to the specific context of public policy issues in New Mexico. LAM-NM works in an advocacy partnership with the NM Conference of Churches and the Presbytery of Santa Fe.
